

## TRANSPORTATION POLICY

It is the policy of Ursuline High School that no motor vehicle will be requested or approved by the school for the transportation of school pupils to and from off-campus activities sponsored or approved by the school, including, but not limited to, athletic contests, dramatic presentations, CBSL, concerts, practice sessions for any of the above, activities, lectures and expositions, unless the vehicle is operated by a competent adult over the age of twenty-five (25) years, properly licensed, and with liability insurance, public injury and property damage insurance, and medical payments insurance.

As to students who drive themselves to and from the campus for class attendance in an automobile owned or entrusted to the student, it is the policy of the school that the student will not drive herself to any school activity outside the boundaries of the Santa Rosa High School district, but will instead utilize transportation furnished by a competent adult whose services are volunteered to or requested by the school. **The only exception to this rule is for seniors driving to and from their approved Community Based Service Learning (CBSL) site. Seniors may drive to and from CBSL even if it is outside the Santa Rosa High School District with written permission from the parents.**

It is the policy of the school that no student will furnish motor vehicle transportation to any other student of the school for attendance at school activities away from the campus. This includes seniors traveling to and from a CBSL project.

The school expects these policies to be strictly observed, and breach of these policies will be considered a matter for disciplinary action. No exception can be made, even if the student is 18 years old, unless for a special case, and then only in writing.

When driving to and from my CBSL project I will not provide transportation nor seek transportation from another student.

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

I understand that my daughter is not to provide transportation to nor seek transportation from another Ursuline student.
